APPLICATION

A new _____ of faith
I will answer God's call even though I've never done this before
"Do not pray for easy lives; pray to be stronger people! Do not pray for tasks equal to your power; pray for power equal to your tasks." --Phillip Brooks
"The church has become an organization of well-meaning idealists, working for Christ, but far from his presence and power." F. Wuellner

PRAYER

God _____ me. Take me to a place that I have never been before in faith.

You Do It!

Challenge Questions

1. When have you ever stepped "out of the boat" and walked on water and/or sank?
2. Do you agree with the statement, "The church has become an organization of well meaning idealists, working for Christ, but far from his presence and power"?
3. Why didn't the disciples understand Jesus walking on water after the feeding of 5,000+?
4. Why do the disciples constantly show a pattern of fear?
5. What area is God telling you, "Go feed them"?

Next Step Commitments

- I will answer God's call even though I've never done this before.
- I will pray to be stronger more than I pray for an easier life.
- I will pray for power equal to my tasks.
